ABOUT BAA

B.A.a Consultors is a Barcelona based consulting company specialized in providing technical assistance services to multilateral organisations in the international development cooperation sector.

Founded in 2001 by BAa Lawyers (www.baa-advocats.com) with the commitment to Human Rights protection and promotion, our company has implemented around 200 projects in Europe, Latin America and the Caribbean, Africa, Asia and Pacific, working regularly with the European Commission through EuropeAid, both in framework contracts and technical assistance projects.

BAa has a multidisciplinary team with background in legal, political and social sciences, delivering its services in English, Spanish, French, Italian, Portuguese and Catalan. It counts as well with a wide network of consultants qualified in BAa's areas of specialization.

BAa has a registered office in Central America based in San Jose, Costa Rica. This delegation coordinates all the projects in Latin America and the Caribbean which allows an effective backstopping ensuring a close and timely follow-up in the different project cycle phases.

SECTORS OF EXPERTISE

BAa delivers consultancy services mainly in the following areas:

- **Multilateral Technical Assistance:** BAa has more than 15 years of experience in implementation of Multilateral Technical Assistance programmes and projects for international organisations. It has implemented formulation and evaluation missions in Latin America, Africa, Asia, Eastern Europe and Mediterranean countries and has been awarded with relevant projects in the social field in Latin America. The main sectors of specialization include:
 - **Democratization and Governance:** institutional strengthening and State reform, namely Public Administration, Justice Administration, reinforcement of Civil Society and Rule of Law, protection and promotion of Human Rights, electoral assistance, peace building, security and the fight against organized crime.
 - **Education and employment:** primary, secondary and higher education, formal and non-formal education, vocational training and capacity building, labour market, human resources and socio-labour reintegration.
 - **Social Development and poverty reduction:** social inclusion and protection to vulnerable groups including indigenous communities, minors, youth and women. Local development, welfare and food security programmes.
 - **Regional and economic development:** development and reform of private sector policies, trade promotion, regional economic integration, support to small medium enterprises (SME).
 - **Communication and visibility:** design and implementation of strategies of communication and awareness for development projects, elaboration and implementation of communication and visibility campaigns to disseminate the EU external action; organisation of events, publicity in written press, radio and tv.
- **Tender services:** services for the preparation of tender offers, personalized assistance in tender procedures with specific in depth knowledge of the main multilateral financing institutions (EuropeAid, IDB, World Bank, BCIE, AECID).

The services provided cover all the stages of the tender process including: Identification of tenders; Search of partners to build up consortia; Preparation of technical and administrative documentation for Expressions of Interest; Elaboration of technical and financial offers, including methodologies; Identification and mobilization of experts according to the needs of the projects to be implemented.

SCOPE OF WORK

Over the last 15 years BAa Consultors has worked mainly for EuropeAid (EC Directorate-General for Development and Cooperation), having participated in the implementation of both Framework Contracts' missions and Technical Assistance projects:
