ABOUT BAA

B.A.a CONSULTORS is a consulting company, based in Barcelona, specialized in providing technical assistance services to multilateral organisations in the international development cooperation sector.

Founded in 2001 by BAa Lawyers (www.baa-advocats.com) with the commitment to Human Rights protection and promotion, our company has implemented around 200 projects in Europe, Latin America and the Caribbean, Africa, Asia and Pacific, working regularly with the European Commission through EuropeAid, both in framework contracts and technical assistance projects.

BAa has a multidisciplinary team with background in legal, political and social sciences, delivering its services in English, Spanish, French, Italian, Portuguese and Catalan. It counts as well with a wide network of consultants qualified in BAa's areas of specialization.

BAa has a registered office in Central America based in San Jose, Costa Rica. This delegation coordinates all the projects in Latin America and the Caribbean which allows an effective backstopping ensuring a close and timely follow-up in the different project cycle phases.

SECTORS OF EXPERTISE

BAa delivers consultancy services in the following areas:

- **Democratization and Governance:** institutional strengthening and State reform, namely Public Administration, Justice Administration, reinforcement of Civil Society and Rule of Law, protection and promotion of Human Rights, electoral assistance, peace building, security and the fight against organized crime.
- **Social Development and poverty reduction:** social inclusion and protection to vulnerable groups including indigenous communities, minors, youth and women. Local development, welfare and food security programmes.
- **Education and employment:** primary, secondary and higher education, formal and non-formal education, vocational training and capacity building, labour market, human resources and socio-labour reintegration.
- **Regional and economic development:** development and reform of private sector policies, trade promotion, regional economic integration, support to small medium enterprises (SME).

SCOPE OF WORK
